

# MP50A Digital Media Player

## KEY FEATURES

### 480i Digital Media Player

MP50A is a cost-effective advertising solution that allows the user to play content from an array of different media cards onto a screen.

- Uses the latest technology to ensure 24/7 operation
- Easily installs on the back of most LCD panels
- Simple and friendly on screen interface and remote control
- Excellent for digital signage in stand-alone applications
- Available as board only for simple integration into POP displays
